

## Tinned copper flat bars

### Descripción

At Bronmetal we supply high quality tinned copper flat bars in line with the most relevant international standards.

We can supply tinned copper flat bars in a roll or in lengths, adapting to your needs.

We have tinned copper rectangular bars in stock for lengths of up to 4m.

Tinning microns: 5  $\mu\text{m}$

Applications: electrical components exposed to corrosive atmospheres, thanks to the protective properties provided by the layer of tin.
